

Mopping up

Spring Cleaning has never been so easy!

Are you (or your teenagers!) planning a party but can't face the thought of the morning after clean up? Does the inside of your oven resemble a coal mine? Or are you just too busy to get down to the thousand and one tasks needed to keep your home in tip top condition? Help is at hand in the form of Miss Mop, a domestic cleaning company operating in and around Billingshurst, Storrington, Pulborough and Petworth. Proprietor Debi Jones (above, right) started her company from scratch in the Autumn of 2009 when she decided that she wanted to run a business whilst maintaining her commitment to her family and the demands of her lively toddler, Megan.

Miss Mop is dedicated to providing a high quality service from thoroughly reliable and trustworthy cleaners. As every home is different, Debi visits her customers initially to assess their requirements. She pays close attention to the individual demands of her customers maintaining constant contact to ensure that they are completely satisfied. Her cleaners are interviewed

in their own homes and carefully vetted before being accepted and she takes great care in matching each cleaner to the client's needs and lifestyle. The growth of her company is proof that this combination leads to success as Miss Mop now supplies a regular service to around 100 customers.

As well as regular domestic cleaning for £13 per hour, Miss Mop can arrange for major spring cleans, end of tenancy cleaning or tackling the mess left after the builders have been in and all for between £13 and £15 per hour. Her cleaners will undertake any aspect of domestic chores, including ironing, laundry, window cleaning or sorting out cupboards – you only have to ask! Judging from the messages of appreciation from satisfied customers, the Miss Mop cleaners are heaven-sent. www.missmopdomesticcleaning.co.uk
